

OVERVIEW

Rufus' key distinguishing features are:

- long vertical scar over his right eye
- fingerless biker gloves, with boxer wrapping underneath on the forearms
- long neck and very red kangaroo-like head, particularly the ears
- muscular human torso
- retractable sharp fingernails / claws
- a fine hair (rather than fur) covering his whole body
- his tail is alike that of a real kangaroo, it falls down to the ground, it can't bend around like a dragon or a cat's tail.

For the GANGWARS Anthology, he wears a variety of biker gear, most of which he takes from his fallen enemies.

Keeping in mind the story is set in the late 70s and early 80s, you have some creative license this apparel for your story.
